I am pleased to announce that Mr. Iftikhar Hassan Samoon has been assigned the role of Lead for Policy and Compliance at Court Cast JK. This decision is a testament to Mr. Samoon's outstanding contributions to the community and his succinct understanding of the policies and compliance requirements of the Court Cast Project.

In his role, Mr. Samoon will have the responsibility of reviewing user-generated content. Based on his observations, he will advise the project on potential policy violations and ensure compliance with relevant requirements.

A formal announcement along with a statement from our JK spokesperson, Mr. Tauseef Manzoor Bhat, will be published within the next week. This will serve for documentation and archival purposes.

Thank you for your continued support of Court Cast. I extend my best wishes to all of you for the year ahead.

Sincerely,

**Zurain Bukhari**
